

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Conduct Public Hearing to consider the request of the Community Development Department for:

- a.) a Land Use General Plan Amendment changing the designation from PQP, Public Quasi-Public to LDR, Low Density Residential for the Century Meadows 4 Subdivision (parkland portion)
- 1b.) a Rezoning from PUB, Public to R-2, Single Family for the Century Meadows 4 Subdivision (parkland portion)
- 2a.) a Land Use General Plan Amendment changing the designation from LDR, Low Density Residential to PQP, Public Quasi-Public for the Bridgetown Subdivision (parkland portion) and
- 2b.) a Rezoning from R-1, Single Family to PUB, Public for the Bridgetown Subdivision (parkland portion).

MEETING DATE: June 6, 2001

PREPARED BY: Community Development Director

RECOMMENDED ACTION: The request is for approval of General Plan Amendments and individual Zoning actions for land that is contained within and is a part of two existing subdivisions. Both of the requests are necessary to bring the land area of both parks into conformance with the approved Tentative Maps and Development Plans. The Community Development Department has instigated the request to register the changes and produce consistency in both cases.

BACKGROUND INFORMATION: In the first instance, Century Meadows 4, located at 2360 West Century Boulevard, contains approximately 4.5 acres that use to be slated for a neighborhood park on the immediate south west corner of the intersection of Mills Avenue and Century Boulevard. Due to changes instigated by the City, the park was moved to the west and incorporated into DeBenedetti Basin Park upon a redesign of the subdivision. Approval of the requested changes in the General Plan and Zoning designations will provide consistency with the previously approved configuration of the subdivision. In the second instance, the Bridgetown Subdivision contains a roughly 4.6-acre park that was relocated to the extreme south eastern corner of the subdivision upon approval of the Tentative Map. Again, General Plan and Zoning classifications were not changed to reflect this alteration. Approval of the requested changes will provide consistency with the approved configuration of the subdivision.

The arrival of the landing ship USS Rushmore and guided missile frigate USS Wadsworth was the first time U.S. warships have visited Jakarta since 1999. In September that year, Washington cut military ties with Indonesia after Indonesian troops devastated East Timor following an independence referendum.

The visit comes at a crucial time for Indonesia, the world's fourth most-populous nation, as it struggles to hold itself together amid numerous political and social crises.

Alarmed by the prospect of Indonesia's disintegration, U.S. policy-makers have eased the ban on military links to allow for joint humanitarian exercises.

The current mission, involving about 1,000 Americans and hundreds of Indonesian navy personnel, coincides with a sharp escalation in a separatist war raging in Indonesia's westernmost Aceh province.

Meanwhile, parliament is moving ahead with plans to impeach President Abdurrahman Wahid over alleged corruption.
